# 701 - FLOWERS

Committee: Rhonda Bulloch 613-267-8096, Hilary Machan, Rebecca Cox

**Do not use containers of value. The Perth and District Agricultural Society cannot be responsible for valuable containers**

## Hints for Exhibitors in the Flower Class

- All exhibits should be arranged attractively
- Cut flowers are to be shown with long stem and where possible, with foliage
- For taller stems and larger containers, the use of cedar is recommended to hold the stems in place.  
**Note:** Cedar is used as a filler and is not to show above the container edge
- Flowers should be as uniform as possible
- A spray is a portion of the plant, with a number of flowers
- A stem is a plant structure, carrying one or more flowers and/or buds
- A bloom is an individual flower, one to a stem
- If a bud is not opened and not showing any colour, it does not count as a bloom and it is a good idea to remove it
- Exhibit(s) must contain the exact number of flowers specified in the section
- Do not leave seed heads in the exhibit
- Watch for wilted petals
- Remove debris from the pot
- Flowers and Plants must be **insect and disease free** to be eligible for judging
- In dahlia classes, green centres should not be showing and the blooms should be approximately 45 degrees from the stem
- Ideal gladiolus should be 1/3 open, 1/3 bud, 1/3 green, please use a tall sturdy container
- A snapdragon may have more than one spike, (note what is specified for the section)
- African violets should contain only a single crown in a pot
- In a floral arrangement, the large flowers and strong colours should be at the base
