701 - FLOWERS

Committee: Rhonda Bulloch 613-267-8096, Hillary Machan, Georgia Machan, Rebecca Cox

Do not use containers of value. The Perth and District Agricultural Society cannot be responsible for valuable containers

Hints for Exhibitors in the Flower Class

- All exhibits should be arranged attractively
 - Cut flowers are to be shown with long stem and where possible, with foliage
 - For taller stems and larger containers, the use of cedar is recommended to hold the stems in place.
- Note:** Cedar is used as filler and is not to show above the container edge
- Flowers should be as uniform as possible
 - A spray is a portion of the plant, with a number of flowers
 - A stem is a plant structure, carrying one or more flowers and/or buds
 - A bloom is an individual flower, one to a stem
 - If a bud is not opened and not showing any colour, it does not count as a bloom and it is a good idea to remove it
 - Exhibit(s) must contain the exact number of flowers specified in the section
 - Do not leave seed heads in the exhibit
 - Watch for wilted petals
 - Remove debris from the pot
 - Flowers and Plants must be **insect and disease free** to be eligible for judging
 - In dahlia classes, green centres should not be showing and the blooms should be approximately 45 degrees from the stem
 - Ideal gladiolus should be 1/3 open, 1/3 bud, 1/3 green, please use a tall sturdy container
 - A snapdragon may have more than one spike, (note what is specified for the section)
 - African violets should contain only a single crown in a pot
 - In a floral arrangement, the large flowers and strong colours should be at the base
