FLOWERS CLASS 701

Committee: Rhonda Bulloch 613-267-8096

Do not use containers of value. The Perth & District Agricultural Society cannot be responsible for valuable containers.

Hints for Exhibitors in the flower class:

- + All exhibits should be arranged attractively.
- + Cut flowers are to be shown in long stem and where possible, with foliage.
- + For taller stems and larger containers, use of cedar is recommended to hold the stems in place **Note:** Cedar used as a filler, is not to show above container level.
- + Flowers should be as uniform as possible.
- + A spray is a portion of the plant, with a number of flowers.
- + A stem is a plant structure, carrying one or more flowers and/or buds.
- + A bloom is an individual flower, one to a stem.
- + If a bud is not opened and not showing any colour, it does not count as a bloom and it is a good idea to remove it.
- + Exhibit(s) must contain the exact number of flowers specified in the section.
- + Do not leave seed heads on the exhibit.
- + Watch for wilted petals.
- + Remove debris from pot.
- + Flowers & plants must be **insect and disease free** to be eligible for judging.
- + In dahlia classes, green centres should not be showing and the blooms should be approximately 45 degree angle from stem.
- + Ideal gladiolus should be 1/3 open, 1/3 bud, 1/3 green, please use tall, sturdy container.
- + A snapdragon may have more than one spike, note what is specified for the section.
- + African violets should contain only a single crown, in a pot.
- + In a floral arrangement, the large flowers and strong colours should be at the base.
- + **New Exhibitor:** The first time exhibitor in homecraft sections with the most points will receive a \$20.00 gift certificate donated by Decorating by Design - Perth. Please check **New Exhibitor** on the entry form.
